**STORAGE AND TIPS**

- Store Blind in a cool dry place - free native brush, dirt and any debris
- Never store Blind wet or damp
- Avoid leaving Blind outdoors for any extended period of time. Prolonged exposure to sunlight may cause fabric to fade.
- To stop any leakage, use seam sealer on all seams and silicon spray on seams/sidewalls.
- To store your TSC windows and/or Shoot-Through Mesh (if included with Blind or purchased separately), avoid wrinkles and creases that could significantly reduce visibility
- To aid in folding blind be sure the window curtain is all the way up and secured
